

USAC .25 MIDGET BULLETIN 1/28/14

NATIONAL RACE CAR COUNT: Competitors will be allowed to compete in up to **five** classes at each National .25 Midget event in the 2014 race season.

RESTRICTOR PLATES: All restrictor plates must meet spec. Penalties will be enforced for restrictor plates not up to spec. Please check your plates prior to competition if you feel your plate may come into question during post race tech.

SAFETY ITEMS:

Appendix II: 1713

29. Following a race, a car or driver that does not have the proper required safety items will be subject to a race day DQ based on the "Safety Check and Registration Form." Any missing non-safety related items such as a muffler, will be disqualified. If any non-safety related parts are liberated, you may go to the work area and make any necessary repairs if a yellow flag is displayed. If the flagman feels the track conditions are safe, he may choose not to display the yellow flag.

Appendix III: USAC NATIONAL RACE POINTS FORMAT

DQ Safety (loss of driver related safety item, does not conform to the "Safety Check and Registration Form"
